"Journal of the Missouri State Medical Association"
by: Missouri State Medical Association
Issues: January 1904 - December 2000 [Archived]
[Link to all of the Issues](#)

In an effort to make this interesting set of Medical Journals available for Missouri Genealogical and Historical Researchers, I am trying to figure out how the Content is structured and what might be the best way of presentation.

There are 97 issues on the Archive.org Site. All of which can be viewed, searched and downloaded. Volumes 1-49 (June 1904-1952) of the Journal of the Missouri State Medical Association and 50-97 (1953-2000) of Missouri Medicine are available online.

The best way to inspect the Content is to take a look at an Index. Here are the Index pages for the 1904 Issue:
<https://archive.org/details/journal1190miss/page/718/mode/2up>

Genealogical Research always includes the search for both Biographies and Obituaries. Fortunately for us, these Journals have both! But... over the years, the Editors change the way they are listed. The first 5 or 6 years have Obituaries listed on Page Numbers, no names in the Index.

About 1908 or 1909, They began listing Obits by Name in the Index, Like This:
<https://archive.org/details/journal6190miss/page/827/mode/1up>

A generic Search: 'Obituary' will bring up Items
<https://ia903108.us.archive.org/17/items/journal1719miss/journal1719miss.pdf>

A generic Search: 'Deceased' will bring up Items
<https://ia903108.us.archive.org/17/items/journal1719miss/journal1719miss.pdf>

Individual Searches for Names will always work.
"Jones", for Instance [Without the Quotes]
<https://ia903108.us.archive.org/17/items/journal1719miss/journal1719miss.pdf>

In the later years, the Medical Journals did not contain many full Obituaries, instead they included what I call "Embellished Death Notices" under the heading "In Memoriam":

Like This
Barbara Spies, MD, 73,
Louisburg, KS, died November 9, 1996. Dr. Spies graduated from the University of Kansas Medical School in 1952, interned at Menorah Hospital, practiced in Kansas. From 1978 until she retired in June of 1987, she practiced in Louisburg.
[January 1997 Issue](#)

The Missouri Journals also have Membership Information, County Rosters, Changes of Address and "News Items" which are always interesting.

Using the [Tutorial](#) I have written will give you an idea on how to use the valuable files on the Archive Site.

Military Burials during War time are difficult to track.

I have discovered a booklet and a film that details the process of moving Burials from various locations to National Cemeteries.

The "Works of Sherman Lee Pompey"

During the 1960's and 1970's, a Gentleman named Sherman Lee Pompey did a lot of Military Research:
Quite a few of his works can be found in the FS Catalog: The focus of his research seems to surround the
Civil War
along with the Cavalry and Infantry Troops who were involved.

There are a lot of Burial Records for those who fought and lost their lives from one cause or another.
