My grandmother, Closra Beatrice Reed was the daughter of William H. Reed and Eliza Jane Lamb. She was born 4/1/1898 at Cooper Hill and married Lesslie William Rogers at Freedom, Osage County in September 1918.

I am trying to trace both the Reed Family and the Lamb family...all I know is that William H. Reed's father was named John Reed and he was born in College Hill, Osage County.

In addition, I am looking for information on William Amos Rogers, born 2/17/1870 in Useful, Missouri and his marriage to a Fanny or Fannie Wolf or Wolfe on 11/23/1888. I know that William Amos Rogers was the son of William Barlow Rogers (born Osage Country in 1845) and Sarah Walker (born 1851 in Osage County). Sarah was the daughter of William Walker and Mary Jame Matthews.

William Barlow Rogers is the son of Elisha S. Rogers born 1813 in Virginia, married to a Susanna Wallace on 12/17/1835 in Gasconade County , MO and died March 1874 Osage County.

The father of Elisha S. Rogers was a George Rogers born in 1777 in Virginia who married a Sarah H. (?) and died in Missouri after 1871...In addition to Elisha, George and Sarah had the following children that all died in Missouri (most in Gasconade County):

STOEHR/HENZE/KLENK/WITTIG/STUECK

I would like to make contact with anyone who has knowledge of the following early Hermann families. I am trying to find the town in Germany where my gr gr gr grandfather Wilhelm Stoehr/Stohr came from. He was in Hermann by 1839 as he is listed in a 1839 membership list of the German Settlement Society of Philadelphia. In the 1850 census he is listed as William Stair, 60 years old, a carpenter from Prussia. Listed with him is a Christopher Stair also age 60, a farmer from Prussia and 15 year old Charles Stair from Prussia. His daughter Fredericka is my gr gr grandmother and a family record which hung on a wall says she is from Saxony. No mention of a mother is ever found in any records or family papers.

The 1851 probate file of George Christoph Stohr, administered by Mathias Klenk, listed his heirs as:

Johanna Kengie/Keugel (?), formerly Johanna Stohr,

Frederica Moltenhauer/Multhaupt, formerly Frederica Stohr,

Augusta Klenk, formerly Augusta Stohr, and

Charles Stohr.

The probate file for William Stohr (died Dec. 1859) partially administered by Mathias Klenk and finished by George Klinge listed Wm's heirs as:

Johanna Stueck (do not know the circumstances of the change in last names, her husband at this time is John Reinhardt Stueck),

Augusta Klenk,

Frederica Henze (she remarried on 10 Jan 1856 to William/Wilhelm Henze),

Charles Stohr,

Sophia Wittig (a copy of an 1843 indenture is found in Gasconade probate records where Wilhelm Stohr, guardian of 9 year old Wilhelmina Sophia Mary Stohr, bound to Jacob Schiefer the said Wilhelmina Sophia Mary Stohr until she turned 18) Gasconade CO Marriage Records list the Jan 1 1853 marriage of William Wittich to Sophia Wilhelmina Stoehr.

One other whose maiden name was Helena Stohr

And one other name unknown.....

Also found in Gasconade Marriage Records: Casper Schubert to Maria Sophia Stohr on Dec. 17, 1854. From Goodspeeds' History of Franklin, Jefferson....and Gasconade COS Mo comes the information that "Casper Schuebert was born in Bavaria on 12 Aug 1825...married Mary Star in May 1855 who bore him one child now deceased....Mrs. Schuebert died Jan. 20, 1857." Do not know who this Maria Sophia Stohr is.

William/Wilhelm Henze came from the area of Einbeck Germany. His father George Henze and third wife Elizabeth and three of his children settled in Roark Twsp (Sec, 34, Twsp 46, R 5). William had first married Rosine Schramm (11 Sept. 1853). She died soon after daughter Lina (m. Joseph Rebsamen 18 Aug 1870) was born. The Henze roots and army service in Germany is well documented.

I am looking for the parents of Elmer Emmett Clements, Bill Clements, Pete Clements, John Clements, and Bell Clements Tarrant. They are brothers and sister. Elmer Emmett Clements was born 1896 or 1898 in Gasconade County, Redbird Missouri. At a young age Elmer was given to a Mizell family and it is unknown if he was legally adopted. But he used the Mizell name until his death in 1951 or 1952. He is buried in Cleveland Okla. I need to know if there are records of births and deaths for Gasconade county 1890-1910, if so I might be able to find his parents names. I was told they died and that is why he was given to the Mizell's. The other brothers and sister were old enough to care for themselves.

Looking for information on a family by the last name of Hussmeyer (could be Hussmarr or Husmier). I do not know the father's first name but had a daughter named Prudence and she was born in 1839. Prudence married a John Bauer, who was born in Caseyville, IL. She was mentioned in passing in a book titled "A History of Kansas and Kansans". the book mentions that her father was part of a German colony of substantial farmers near St. Louis, MO. Also have old family notes that I don't understand about Hermann, MO. Maybe her mother's maiden name was Ringold or Rienhold. If this sounds familiar to you, please contact me at the email address listed. Also would like to know if there is anyone that could do a census look up for me on this family in 1840. I am curious if anyone from my maternal grandfather's extended family might be working in parallel on the same family history as me.

My grandfather was Leslie Lensing, one of 12 children born in Rhineland, MO. Most of them settled in Hermann, McKittrick or Rhineland. Other last names from those areas are Bahr, Bezold and Brown. I know that the Hermann Hospital and the old Ken Boyer home were both built on Lensing farm property and the city golf course was built on Bezold farmland.

I'm also curious what research facilities might be available in Hermann other than the county offices. I have lots of family info related personally, but little hard evidence

I am looking for information on the Kuester/Kiester-Pardeike families.

My great-grandfather was Frank August Kiester, son of Franz Frederick Kuster and Charlotte Kiester who setteled in the Hermann, Gasconade, Morrison area of Missouri in about 1862. Frank married my great-grandmother, Johanna Pardeike at Hermann, Missouri December 26, 1885. Frank and Johanna lived in the Central Missiouri area until 1916 when they moved with their eight surviving children to Colorado. One child, Oscar died in 1904 as the result of blood poisoning after a sledging accident. He was buried near Canaan Missouri (no one knows where) and Canaan is also where Albert Edward Kiester was born on January 30, 1904.

There are still descendants of the Kuster family living in the area, but our branch has a different spelling. In the old Fredericksburg cemetary at Morrison, Missouri, there are three different spellings of the Kiester name, but they are all from the same family.

I would like to know where the Missouri KUESTERS originated from and if there is anyone doing research on them or their related families. Franz Frederick Kuster had a brother named Louis that is buried at Hermann.

Researching gggrandfather, Francis W. Brinkman born about 1810 Hanover, Germany his wife Mary born about 1816 Hanover, Germany. I located Francis in the 1850, 1860, but not in the 1840 census. In the 1850, 1860 Francis lived next door to a Henry Brinkman whom was older than him. I believe that they were brothers, but I have not proven it yet.

I recently received a copy of Francis's naturalization paperwork from Gasconade County, MO, but it did not give any information regarding the ship, port or what town he was from. I'm sure he came over between 1840-1846.

Looking for any suggestions as to where to start looking for Francis W. and Henry immigration???

I don't know if you will be able to help me or not, but I was wondering if you have any information on Mt. Sterling in Gasconade Co.

I am researching Charles Samples, who was born in VA then migrated to Clay Co., MO. His father died in 1850 in Russel Co., VA. Family legend says that he sent two of his sons, James & William Sample to collect his inheritance and that James & William died in a hotel fire in Mt. Sterling before reaching VA. Some researchers believe this was Mt. Sterling, KY, it could be but a careful search of the news in that area has not yielded any hint of their deaths or of a hotel fire.

Since my GGrandfather Robert Samples married Nancy Crider and lived a time in the Maries & Gasconade area, I thought that the Mt. Sterling referred to in legend may be Mt. Sterling, MO, in Gasconade Co.

Do you have any information that would shed light on this mystery, or do you have any suggestions on where I could research this?

He married Sarah BARNES on 13 Feb 1838 in Polk Co., MO, but there is no evidence that they ever lived in Polk Co.. They are in Jackson Co., MO in 1850 (census), then Sebastian Co., AR (land grant) in 1860 and 1870 (census). Robert M. was believed to be the son of William Isom DOUGLAS(S) and Nancy MARTIN. Laura Clark [\[email protected\]](#)

I am doing the research on my husband's family of Clarks.

J. B. Clark was born in Williamson County, Tennessee circa 1867

He is listed in the household of T.J. Clark and Annie Clark. In his early adult years he married a woman unknown to us, and had 5 boys...probably in the Memphis/Nashville Tennessee area. Mary Mueller (daughter of Minnie Oberdeck and Henry Mueller) was born in Bland, MO (Gasconade County) in 1887

In the 1910's he was working on the Rankin brother's farm in Atchison County, Tarkio, Missouri. I did find him on the 1920 census with wife Mary, daughter Laura and son Johnnie. Mary was a Mueller, and I found her mother and brothers in Tarkio City listed as Minnie Miller (head of household) along with sons Lewis, Herman, Fred W. and William W. and daughter Rose. They lived on 3rd Street in Tarkio City.

In 1923 I know they were living in Mt. View, Missouri (Howell County) where my father-in-law was born. William E. Clark was born on 1-28-1923. I am thinking they may have had a farm there, as the story goes that Dad only weighed 2 pounds when he was born, and his grandmother, Minnie, saved him by keeping him in a dresser drawer right by the wood stove.

We recently found out that Minnie Oberdeck Mueller was buried in Tarkio with her husband, Henry Mueller. Dad was very happy to receive that information, as he never knew the correct date of her death, nor did he know when she died.

Dad has never met his father, J. B. Clark, as the old man left right when he was born. I am anxiously searching for anyone that may have any information on this family. We are going to be in the area around the end of this month. The story goes that J.B. died in an automobile accident enroute from Memphis/Nashville to Missouri. But we are not sure at all. This may have been circa 1948 or 1949.

Surname: SCHULTE

J. Henry Schulte born March 5, 1838 Hanover, Prussia. Immigrated to Gasconade County about 1855. Have naturalization papers from Gasconade dated 3-13-1860. He was listed on the Gasconade 1860 census as working for a William Dallemeyer in the Woollam District of 3rd Creek township. Believe he was the brother of Anna Enke (Mrs Gottfried) also on the 1860 census. Henry first married sometime in the early 1860 to a widow of a Bernd Renne, Etha. In 1880 he married Johanna Tomaesckhe Bohle the widow of Herman Bohle of Gasconade. Several children were born to both of these marriages, and I have a lot of material and information about this family. After his first marriage to Etha Renne, he moved to a farm in Osage County, in the Cooper Hill area, but was still connected to the Woolman Church District. He died on Oct 1, 1925 and is buried in the St. Pauls Evangelical Church Cemetery in Cooper Hill. I want to find his home village in Germany and need to know the ship that he came over on. I would like immigration and ship records if you have them in your file. Also need a marriage record for Etha Renne and Henry Schulte. I have his other marriage lic. to Johanna Tomaeckhe Bohle. I know that there were several persons by the name of Henry Schulte in Gasconade and Osage County but they were not related to the J. Henry that I am researching. I do believe that he probably came by the way of New Orleans. Have not been able to locate any immigration or ships records. I also know that Henry Schulte was a very popular name, and the last time I counted there were other families by this name and their descendants.

They settled on a farm in the Mount Sterling area (Third Creek /Boulware). George was buried Feb 1890 on his farm, listed in the Gasconade Co Cemetery survey. Mary is probably in the unmarked grave at his side. I would like to know when she died! I believe the family was Catholic. Would like help locating any records that may exist with area churches. George raised my ancestor, Mary's son John Thomas Murphy, as John HELBERT. He was the second husband of HANNAH MINERVA BRANSON widow of Perry Davis. During the Civil War, George HELBERT's neighbor, by the name of BUDDE, was hanged. The two families' children must have played together ... The only known descendants of Helbert would be through dau MARY who married GEORGE VARBLE. That line has descendants in AZ. Helbert's only son died unmarried. Any help with Catholic records? Does anyone have anything on HELBERT, BUDDE or VARBLE? I'd like to hear from anyone with any related search.

She died about 1861, place unknown, but probably Gasconade County. Ludwig and Wilhelmina were married in Germany about 1830. While in Germany, they had at least two children: Julius, born in 1833; and Ludwig (Lewis), born in 1838. The family emigrated to the US in 1838, settling in Gasconade County. After their arrival, Ludwig and Wilhelmina had at least one more child: Wilhelmina, born in 1841. Ludwig's will (recorded in December 1869) also mentions a daughter, Ernestine, and a step-daughter, Sophia Schneider. The 1860 U. Any MAUPIN's.... I'm related to all of them... Another cousin is compiling a family directory, so would like to hear from anyone with this surname. My gggg grandfather, Mosias Maupin, b. LEMONS: My grandmother's maiden name... daughter of David "Jeff" Lemons... Want to know more about the family... and the lineage further back... Know the first one in MO was Jefferson Lemons, was found in the Henry Co VA census in 1850, then

HAYNES, SMITH

My great-great-grandfather, Eli Haynes, moved to Gasconade County from Tennessee about 1830 and on to Barry County in the

1840s. He returned to Gasconade County after his first wife's death and married Fanny Smith on July 22, 1855. They had one daughter, Eliza A. Haynes born September 2, 1856. Eli died in Barry County on March 5, 1863. I would like information about Fanny Smith and her family as well as information on Eliza A. Haynes's descendants. I understand Eliza married a Harrison and lived at Lane's Prairie, Maries County in the 1880s.

Eli and his first wife, Mary, had seven children. The first child was born in Tennessee and the others were born in Gasconade County. I would appreciate any information on their second child, Alexander, born about 1830. Eli Haynes may be related to Luster Haynes who was also living in Gasconade County in the 1850s. If anyone has researched this family, I would like to hear from them.

[Albert John Atkins Jr.](#)

My g.g. Grandfather was Stephen Atkins and I first found him in the 1840 census of Gasconade Co. but since his name as head of family was the only one listed but there was one boy under five and I hoped that was who I was looking for. I went to the 1850 census and there was a twelve year old boy named William, so I was sure I had the right family. This was my g Grandfather William. Stephen and his wife Rebecca were both born in TN, probably around

1815. They were in Gasconade Co. at least as early as 1837. From the book, A Directory of 20 Counties In The Missouri River Valley From Kansas City. MO To St Louis MO in the chapter on Historic Herman, page 163 it mentions that the 17 German Pioneers of the advance party of the German settlement probably would not have made it through the winter of 1837/1838. without the help of three farmers in the region, Willis Hensley, Polly Phillips, a Widow and Stephen Atkins. Children born to Stephen and Rebecca; In Gasconade Co. Bolware Township, P.O. Bay Sarah 1837 Mary 1838 William 1839 James 1843 Thomas 1844 Eliza 1845 Martha J. 1848 Nancy 1854 Catherine 1854, With all these Females, Surely I must have a lot of Relatives still there someplace. Any information on the family will be appreciated. Listed with this family on the 1850 census is Jane vandergriff 70 years old. Who was she? > Jane Vandergriff doesn't appear on the 1860 census but now there is a Jane Vanmeator or something like that with two children, Thomas and Rebecca. These are certainly Atkins type names. Who are these people? The last record I find of Stephen, he is alone on the Missouri State census of 1864, still in Gasconade Co. MO. William (above) was my g. Grandfather. He married circa 1856 a Mary Smith ?? Who was born in TN. The first child was Mary Frances 1857 John. Thomas 1859 my Grandfather James C. 1860 Eliza J. 1864 allborn in Gasconade Co. Boleware Township, P.O. Bay in Missouri. This Family moved to Kansas between 1865 and 1867 and are next found on the 1870 Census in Wyandotte Co. Kansas as a Farmer. They had several more children and I have more information on them.

Surname: FRASURE

I am interested in finding descendants of Robert Frasure who took his land grant after 1806 in Franklin/Gasconade Counties. And any other information on him. Thank you so very much for offering to post a notice. I dont know exactly where it was except I am informed it was on the Gasconade River and was the land grant given by Thomas Jefferson for his service to Lewis and Clark. The land possibly could be in what is now Franklin County also. Since as you say, this is pre-county formation. I am a member of the Idaho Governor's Advisory on the Lewis and Clark Trail and we are researching its members. Also my family legend is that I am related to him through the Frasure family of Kentucky. So I have a dual purpose. Thanks again for your assistance. I am anxious to find out about any family descendants in your area. Robert Frasure was literate and drew maps and kept a journal although we have not yet found his journal. I am Lloyd Ellis and live in Cabool MO (Texas County). I am researching my family history, and believe my ancestors lived/born in Gasconade County in the 1820-1830's. My grandfather was Samuel Esty Ellis b. 1891 d. 1938 in Wright County. His Father was Samuel George Ellis, b ??? d. 1893 in Wright county. I am having problems connecting Samuel George, to my other known relatives but I did find William Benjamin(Buck) Ellis who was born in Gasconade County Sept 11, 1825. I believe this Wm Benjamin is either Samuel George Ellis' brother, or, Benjamin Ellis(Wm Benjamin's father) may be Samuel George Ellis brother. At any rate, I would be interested if you have any reference to Samuel George Ellis in the Gasconade County birth records in abt 1820 thru 1840. Samuel Esty (Samuel George's son) had the following brothers and sisters. Henry, Malcena, Tennesy, Eunice, Dosh, Virgil Roy, and Samuel Esty. (Esty was the youngest child of Samuel George Ellis and Amanda Adeline (Hargis) Ellis. I realize this is a bit of a long shot, but would appreciate any info you might have. If my hunch is correct, Wm Benjamin Ellis and Samuel George Ellis are probably brothers. I did find a Riley(Doc) Ellis that I confirmed as Wm Benjamin Ellis' brother. Thanks for any help you can give on the Ellis Family of Gasconade County.

Surname: MEYERS, HIATT

Amstead E. MYERS m. Mary Jane HIATT 08 August 1850 in Gasconade Co, MO. I am attempting to research both lines. I have a copy of personal correspondence to Daniel B. MYERS, son of Amstead, from his cousin, E. A. Roberson, dated 04 November 1908 RFD 1, Box 29, Rosebud, MO. In the letter, E.A. is responding to Daniel's letter of inquiry regarding conditions of tombstones in the "graveyard". His cousin assures him that "they are standing good and solid". This leads me to believe that one--Mary Jane--or both of Daniel's parents are buried in the "graveyard". Where? (My mother has heard that Amstead went to Johnson Co, MO, with his young family after his wife died) E.A. mentions an Aunt Margaret who apparently lives close by, two children Pearl and Ollie, probably his, and "Pa and Ma are tolerable well". I am also assuming that E. A. Roberson's mother was a sister to Amstead. In another letter from S.G. Roberson, Collector of Warren County, MO, 01 July, 1903, (bro. or cousin to E. A.) he refers to seeing Daniel last at Uncle Hiram Myers' wedding in Saline Co; and "mother's Aunt 'Add' residing in St. Louis, MO."; signed "Your Cousin, S.G. Roberson" As for the HIATT/HIATTE line, I recently became aware that a Darius M. HIATTE--49, (father of Mary Jane), was listed in the US Census, Gasconade Co, MO; wf. Margareth--52, sons John T.--25 and Samuel--21, daus. Margareth--15 and Sarah--14, along with an Elizabeth--18 (wf. Of Samule G.W. HIATT); Darius M. HIATTE m. Margaret(h) ADAMS. (There are HIATTS who also resided in Franklin Co, MO.) I have a hand written note dated 20 August 1908, Gasconade Co, MO, listing birthdates beginning with Mary Jane MYERS, Wm. HIATT,ending with Sarah HIATT; Crocker, Pulaski Co, MO. This and the two letters previously mentioned were among the personal papers of Daniel B. MYERS b.30 July 1853, Gasconade Co, MO; d. 11 November 1915, Johnson Co, MO, m. 22 November 1877 Susan Jane FICKAS, dau. of Jacob and Elizabeth (ADAMS) FICKAS--my GGG-parents. I also have several letters and notes to Daniel from the Commissioner of Garrard Co, KY Circuit Court regarding settlement of an estate of S. HIATT, of which Darius's heirs were entitled to 1/8, acknowledging that he had 8 children of his own. The correspondence also acknowledged that Mary Jane HIATT was deceased. I am pursuing the court records hoping for more information as 1/2 of the estate had been held up in the Court of Appeals. I'm seeking any information on either of these families. Especially the MYERS's as I haven't a clue when they came to Missouri and from where. Any assistance is greatly appreciated.
